## Programs

### **Play & Learn Family Drop In**

Parents/Caregivers and children are welcome to drop in to the program and enjoy our friendly atmosphere. This is a community based program, designed and planned to facilitate family/caregiver support where children and families/caregivers can interact, learn and play together. Families/caregivers have an opportunity to expand their social support networks and strengthen their parenting/care giving skills. Come join us at our drop in!

### **Rhyme & Song Circle**

This program introduces pre-reading and early literacy through songs, rhymes and stories. Enjoy singing and reading together with a diverse group of families in a relaxed environment.

### **Information and Referrals**

We offer assistance with referrals, questions and accessing community information and resources over the phone and in person. The program has pamphlets, books and parenting magazines for anyone to access. A Family Support Worker from 4-Villages Community Health Centre is available to meet families by appointment on request.

### **Parent Relief/Occasional Child Care**

We offer temporary child care services for a negotiated time. Children are provided with a safe, warm and nurturing environment where they can interact and fully participate in early year's activities.
