### **Play and Learn Family Drop In**

Parents/Caregivers and children are welcome to drop in to the program and enjoy our friendly atmosphere. This is a community based program, designed and planned to facilitate family/caregiver support where children and families/caregivers can interact, learn and play together. Families/caregivers have an opportunity to expand their social support networks and strengthen their parenting/care giving skills. Come join us at our drop in!

### **Reading Circle**

The Reading Circle is a program to encourage family literacy in an early learning environment. It introduces pre-reading and early literacy through play, props and other interactive activities. This is an opportunity for children to use different senses to explore with books. Families will explore interesting stories, sharing their feelings and experiences together.

### **Parent Information and Referral Services**

We offer assistance with referrals, questions and accessing community information and resources over the phone and in person. Pamphlets, books and parenting magazines are available in program and can be signed out of our Resource Lending Library for a 2 week period.

### **Circle Time**

This program introduces pre-reading and early literacy through play, puppetry, props and other interactive activities. Learn new songs and enjoy singing with a diverse group of families in a relaxed environment.

### **Wriggle & Roll**

Wriggle and Roll is a drop-in gross motor program where infants, toddlers and their parents/caregivers can explore a variety of toys and stations on the mats in the infant room. In this interactive program, activities are designed to strengthen and develop balance, hand-to-eye coordination, large muscle control and encourage engagement in physical play.

### **Kinder Gym**

Parents/Caregivers and children are welcome to join the Gym Time that lets children be active and meet their gross motor developmental skills. Our child friendly space encourages running, jumping, crawling, sliding, climbing, tumbling, using riding toys and bicycles, playing games, and interacting with others. Parents/caregivers must remain with their children.

### **Baby Connect and Circle Time**
